

HUI MAUMAHARA

**Finding the Healer within
Hinewirangi Kohu Morgan**

Nau Mai Haere Mai

Te Rau Ora is hosting a series of hui to reflect on some of our Māori frameworks, models and advocates that have influenced and inspired kaimahi, services and organisations in the mental health and addiction sector.

We invite kaimahi Māori and whānau to join us and share your stories of how these Māori frameworks, models and advocates have impacted your practice. A space to reflect on Māori frameworks, models of practice and some of the leaders of influence.

This is an opportunity to give back to the Hinewirangi Kohu-Morgan who will be in attendance and provide the plenary of the day

We hope that by sharing your models and frameworks during this hui, you will consider presenting these at the Māori Frameworks Symposium in 2020.

**Hui Maumahara, Finding the healer within – Hinewirangi Kohu-Morgan
